## RxTechSchool

- FastTrack PTCB Exam Training Course provides pharmacy technicians the knowledge and skills needed to prepare for and gain PTCB certifications
- Media-rich interactive continuing education courses available 24/7
- Pharmacy technicians gain more knowledge, reducing medication errors
- Payment plan available
- Individual purchase or reduced group rates

#### About the PTCB

The PTCB develops, maintains, promotes, and administers a nationally-accredited certification and recertification program for pharmacy technicians to enable the most effective support of pharmacists to advance patient safety. Companies can incentivize their pharmacy technicians by using this program for retention purposes.
