

# Test the Waters

*Locum tenens. Flexible. Fun. Profitable.*

As a newly graduating physician, consider testing the waters before you decide which permanent practice opportunity best suits your needs. By working locum tenens through Staff Care, the nation's leader in locum tenens staffing, you can pick from numerous geographic locations and clinical settings, testing each for just a few weeks at a time.

## Where do you want to work?

Beaches. Lakes. Rivers. Museums. Sporting events. Theatre. Family.

We have job opportunities that are close to your home, close to where you were born, close to where you went to school, close to where you like to play, close to your family and close to your heart. We represent hundreds of organizations (large and small hospitals, public and private clinics, single- and multi-specialty physician groups) looking for physicians to fill temporary assignments. We need every clinical specialty.
